### **DECISION ON ATTORNEYS' FEES AND COSTS<sup>1</sup>**

**Dorsey**, Chief Special Master:

On October 13, 2015, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,<sup>2</sup> (the "Vaccine Act"). Petitioner alleged that he developed injuries, including Parsonage-Turner syndrome/brachial neuritis after receiving the trivalent influenza vaccine on October 17, 2012. Petition at 1. On December 21, 2016, the undersigned issued a decision awarding compensation to petitioner based on the parties' stipulation. ECF No. 56.

---

<sup>1</sup> Because this unpublished decision contains a reasoned explanation for the action in this case, the undersigned intends to post it on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

<sup>2</sup> National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "§" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

On March 2, 2017, petitioner filed an unopposed motion<sup>3</sup> for attorneys' fees and costs. (ECF No. 62). Petitioner indicates he is voluntarily reducing the amount of attorneys' fee by \$10.00 and is waiving \$500.00 in expert costs. *Id.* at 1. Petitioner requests attorneys' fees in the amount of **\$14,000.00** and attorneys' costs in the amount of **\$709.14** for a total amount of **\$14,709.14**. *Id.* at ¶ 1; Attachment 1 to Pet. Motion at 6. In accordance with General Order #9, petitioner's counsel represents that petitioner personally incurred no-out-of-pocket expenses. Pet. Motion at 1.

The Vaccine Act permits an award of reasonable attorneys' fees and costs. § 15(e). Based on the reasonableness of petitioner's request and the lack of opposition from respondent, the undersigned **GRANTS** petitioner's application for attorneys' fees and costs.

**Accordingly, the undersigned awards the total of \$14,709.14<sup>4</sup> as a lump sum in the form of a check jointly payable to petitioner and petitioner's counsel Randall Turner.**

The clerk of the court shall enter judgment in accordance herewith.<sup>5</sup>

**IT IS SO ORDERED.**

<sup>3</sup> The motion was filed as an unopposed motion and specifically states that respondent has no objection to the overall amount sought. Petitioner's Unopposed Motion for Attorneys' Fees and Costs ("Pet. Motion") at 2.

<sup>4</sup> This amount is intended to cover all legal expenses incurred in this matter. This award encompasses all charges by the attorney against a client, "advanced costs" as well as fees for legal services rendered. Furthermore, § 15(e)(3) prevents an attorney from charging or collecting fees (including costs) that would be in addition to the amount awarded herein. *See generally Beck v. Sec'y of Health & Human Servs.*, 924 F.2d 1029 (Fed. Cir.1991).

<sup>5</sup> Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties' joint filing of notice renouncing the right to seek review.
